Subject Re: Open quotes — China to Brazil / August shipments

Hello Raphael,

Appreciate you sharing the pipeline — solid volume across seven China ports.

- A few reasons this fits us well:
- All China origin — exactly our backyard. With 300+ carrier partnerships, we can likely improve on the PIL/COSCO options you have.
 - Multi-port coordination is standard for us — one point of contact for Ningbo through Yantian.
 - We've been on the China–Brazil lane for 20+ years. NF-e compliance, HS classification, reefer handling — all in-house.

Before I run this through our pricing desk, three clarifications would help:
